Dear Prospective Sponsor,

Pope Swim & Dive Booster Club is seeking sponsors for the 2010-2011 swim season. In return for your support, we will provide recognition and advertising opportunities for your business.

The economics in public education require that most of the financing for a high school sports program comes from parents and sponsors like you. Your support will provide additional equipment, travel funds and resources to help Pope High school students excel in their sport.

The Pope Swim & Dive team consists of close to 100 high school swimmers that participate in 15 or more swim meets across the metro area. In addition to local meets, the team will be traveling to Savannah, Georgia in December. The team will host two meets this year with close to 800 people in attendance at Mt. View Aquatic Center. If your business would like to sponsor one of our meets, please let us know – it is a great opportunity to advertise your business to our local communities! For more information about our team, visit www.popeswimteam.com.

The attached sponsorship form outlines various ways you can support the Pope Swim & Dive Team. This is an excellent opportunity for local exposure and a chance to help a deserving group of student athletes. We hope you realize the difference that your contribution can make to our swimmers.

Please do not hesitate to contact me at popeswim@gmail.com or 770-993-9629 if you have any questions or to request additional information.

Thank you in advance for your support.

Sincerely,

Fran Neumeister, President
Pope Swim & Dive Booster Club
