

Welcome!

Fran Neumeister introduces herself, Pat McMillen (Treasurer), and Janice Wetter (Secretary).

Old Business:

We never officially elected the 2008-2009 officers. Motion to elect Fran Neumeister (President), Pat McMillen (Treasurer), and Janice Wetter (Secretary). Motion Approved, and Second. Passes.

Treasurer's Report:

Majority of our revenues come from the team fees, and sponsors we receive this season. If you procure a sponsor for your child 75% of the sponsorship cost remains as a credit towards your child's fees and/or spirit wear costs. We encourage you to get sponsorships. This is something new we have initiated this year, with tremendous success.

Our revenues cover the cost of apparel (parka's, t-shirts, etc.) Party Nights, Meets Costs, Lane Fees. We try not to carryover a profit from year to year. We expect to have \$200 left after this year's season costs are complete. Motion to approve the 2008- 09 Budget, and Second. Passes

Fundraisers:

Chick-Fil-A Friday - We need a Volunteer Chair, and three volunteers every Friday through February. Please sign-up at the table. Basketball will pick up the biscuits, and we sell them through 8:30. We are responsible for returning the coolers, and depositing the money. Maggie McKenney's mom volunteered to chair.

Website: It's been retooled this year, and is updated twice daily.

Team Achievements: The swimmer/diver's achievements will not go unnoticed by the new principal, Mr. Belieu this year.

Swimmer Issues: If a swimmer and/or parent has an issue, they need to contact the coaches first not administration. All issues will be redirected to the coaches, by the administration.

Kelsey Gaid – just sent her letter of intent with UGA

Timmy Holst – Swimmer/Diver

This year I will have the captains create families. They will do various activities with their families, and will also be on a point system creating a friendly competition between groups.

Spiritwear For Sale: Each swimmer will be given two swim t-shirts. I encourage you to purchase team warm-ups. There are samples of all the spirit wear at the tables.

Order of Registration: Turn in Blue sheets with a deposit check and collect your parka. Registration paperwork gets turned into Pat. Please note we do not receive any money from the county for our swimming fees. All money comes from the booster club and fundraisers.

Motion to adjourn, Second, Pass.
